7<sup>th</sup> February, 2020.

Dear parents,

Due to the suspension of school, our company was not able to provide the service of textbook purchase at school. In order to let students get the textbooks as early as possible to facilitate their home learning, we would now keep all the books at our Jordan store for you to purchase, instead of doing it at school. Parents can also use the booklist to buy the books at any other bookstores which the discount would not be the same as what we have offered.

Our address is: 102, Shanghai Street, Jordan. (Jordan MTR Station Exit A).

The booklist and the payment slip were given to all the students by the class teachers on 24 January(Friday). If parents decide to get the textbooks at our Jordan store, please show our staff the **students' handbook**, and the **original receipt** which shows your payment of the textbook fee at 7-11. Parents can also pay by cash at store with the students' handbook for keeping record. **Credit card** and **cheque** payment are not accepted. Books which are out of stocks at the moment will be sent to school later.

In order to avoid crowds and reduce the risks of infection, our company would highly recommend parents to collect the books at store in two different periods. If students have already given the receipts or cheques to their class teachers, please present the **student handbooks** to our staff at store to check and confirm the payment record. The assigned time slots for purchasing/collecting textbooks are as follow:

- 1) P.1-3: 12<sup>th</sup> February 2020(Wednesday) to 19<sup>th</sup> February 2020 (Thursday)
- 2) P.4-6: 20<sup>th</sup> February, 2020(Thursday) to 29<sup>th</sup> February(Saturday)

\*\* Siblings of different levels can get the books at the same time.

### Remarks:

- For those who are not able to purchase or collect the textbooks in February, parents need can only get 5% discount.
- If parents have lost the original copy of the 7-11 payment receipts, or further enquiries, please contact us at 2480 0241 / 2480 0207
